**NEWS RELEASE**

## **City of El Paso's Foreign Trade Zone Earns Top Honors**

**EL PASO, Texas** – The City of El Paso's Foreign Trade Zone is being lauded as one of the busiest and most successful Foreign Trade Zones in the U.S. by *Business Facilities*.

The Foreign Trade Zone No. 68 administered through the El Paso International Airport is recognized in the magazine's 2015 Economic Development Awards with the Achievement in Foreign Trade award.

"We are honored to be recognized by *Business Facilities*, a leading site selection and economic development publication. FTZ No. 68 prides itself in its integral role in facilitating trade for the El Paso region," said Monica Lombraña, Director of Aviation for the El Paso International Airport.

The magazine is honoring the Foreign Trade Zone No. 68 for being an integral part of El Paso's regional and international investment strategy, providing a business platform for domestic and foreign trade to prosper in the region. FTZ No. 68 is the only general purpose operator in the nation providing direct FTZ training services; it offers a unique E-214 admission system for its FTZ User customers. El Paso's FTZ offers ideal options for small and large importers/exporters that need short-term storage for their inventory, or seek a full-service logistics provider.

*Business Facilities* is a leading national publication covering economic development and site selection. Visit <http://businessfacilities.com/2015/04/economic-development-awards-2015/> for award more information on the magazine's 2015 Economic Development Awards.
